Dear Examiner Chan:

Further to our faxed transmittal reconstructing our November 2002 response in the above-referenced patent application, we provide, as a courtesy, the two enclosed compact discs containing copies of the references listed in the following IDSs:

1. Original IDS, submitted May 15, 2000;
2. First Supplemental IDS, submitted Jan. 4, 2002; and
3. Second Supplemental IDS, submitted Nov. 6, 2002.

Hard copies of the references are additionally being submitted for consideration by the Examiner in the case.
